dholera®

A NEW ERA

Annual Report 2021-22

(CIN:U45209GJ2016SGC085839)

www.dholera.gujarat.gov.in

About the Company

Dholera is planned as a greenfield industrial city located approximately 100 km south-west of Ahmedabad and strategically located between Ahmedabad, Vadodara, Rajkot & Bhavnagar. The total area of the city is approximately 920 sq.k.m. & comprises a developable area of 422 sq.k.m. Dholera is envisaged to be a world class destination with excellent infrastructure. It will also have its own self-sustaining eco-system. Dholera aims at reducing the demand of natural resources like fresh water and preserving the environment by reducing pollutions and waste generation. It encourages 'Recycle and Reuse.'

Delhi-Mumbai Industrial Corridor (DMIC) Project of Government of India aiming to develop new industrial cities as 'Smart Cities' and converging next generation technologies across infrastructure sectors. Dholera is the largest node on the National Industrial Corridor Development Corporation Limited (Estwhile Delhi-Mumbai Industrial Corridor Development Corporation Limited)

Secretarial Audit Report

For the Financial Year ended March 31, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members,
Dholera Industrial City Development Limited,
Block No. 1 & 2, 6th Floor,
Udhyog Bhavan, Sector - 11,
Gandhinagar - 382011,
Gujarat, India.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Dholera Industrial City Development Limited** ("Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that, in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2022 ("review period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board-Processes and Compliance-Mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company for the review period, according to the provisions of:

i The Companies Act, 2013 ("Act") and the Rules made thereunder;

ii The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder, to the extent applicable;

iii The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder, to the extent applicable;

iv The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 are not applicable to the Company being Unlisted Public Company;

v Other sector specific laws as follows:

   a The Gujarat Special Investment Region Act, 2009;

   b Building and Other Construction Workers' (Regulation of Employment and Condition of Services) Act, 1996;

We have also examined compliance with the applicable clauses of the Secretarial Standards as issued by The Institute of Company Secretaries of India. Being an Unlisted Public Company, Clauses / Regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are not applicable to the Company.

Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings are not applicable to the Company.

During the review period, the Company has complied with the provisions of the applicable Acts, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

We further report that;

A The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Director(s). The changes in the composition of the Board of Directors that took place during the review period were carried out in compliance with the provisions of the Act;

B Adequate notice is given to all the Directors to schedule the Board Meetings, Agenda and detailed notes on Agenda were sent timely and well in advance or at shorter notice, consents have been obtained from the Directors in line with the requirement of the Articles of Association of the Company and a system exists for seeking and obtaining further information and clarification on the Agenda items before the meeting and for meaningful participation at the meeting;

C As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded;

D There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with all the applicable Laws, Rules, Regulations and Guidelines;

E During the review period, there were no specific instances / actions in the Company in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards etc.having major bearing on the Company's affairs. However, during the year, the Company has issued and allotted 47,52,84,010 Equity Shares of Rs. 10/- each aggregating to Rs.475,28,40,100/- to the existing shareholders on Rights basis.

This Report is to be read with our letter of even date which is annexed as Appendix A and forms an integral part of this report.

Appendix-A

The Members,
Dholera Industrial City Development Limited,
Block No. 1, & 2, 6rd Floor,
Udhyog Bhavan, Sector -11,
Gandhinagar - 382011,
Gujarat, India.

Our Secretarial Audit report of even date is to be read along with this letter, that:

i Maintenance of Secretarial records and compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of the management of the Company. Our examination was limited to the verification and audit of procedures and records on test basis. Our responsibility is to express an opinion on these secretarial records and compliances based on such verification and audit.

ii We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

iii Wherever required, we have obtained the management representation about the Compliance of laws, rules and regulations and happening of events etc.

iv The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF DHOLERA INDUSTRIAL CITY DEVELOPMENT LIMITED FOR THE YEAR ENDED 31 MARCH 2022

The preparation of financial statements of Dholera Industrial City Development Limited, Gandhinagar for the year ended 31 March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013(Act) is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 23 September 2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of Dholera Industrial City Development Limited for the year ended 31 March 2022 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' Report under Section 143(6) (b) of the Act.

For and on behalf of the
Comptroller and Auditor General of India

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
Dholera Industrial City Development Ltd.

Report on Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Dholera Industrial City Development Limited** ('the Company'), which comprise the balance sheet as at 31st March 2022, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, other comprehensive income, the changes in equity and cash flows for the year ended as on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined any matters described as key audit matters to be communicated in out report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Accounting Principles Generally Accepted in India including the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, the order apply to the company and such, the same is being reported upon as per **Annexure-A**.

2. As required by Section 143 (3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   (c) The Balance sheet, the Statement of Profit and loss including other comprehensive income, the cash flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015;

(e) Being a Government Company Section 164 (2) of the Act regarding disqualification of director is not applicable to the Company in view of MCA notification GSR 463 (E) dated 5th June, 2015.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **"Annexure "B".** Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act, and

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   (a) The Company has disclosed the impact of pending litigations on its Financial position in its financial statements. Refer Note-33 to the Financial statements.

   (b) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

   (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   (d) (i) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, Directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iii) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to the notice that has caused us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material mis-statement.

(e) The Company has not declared / paid any dividend during the FY 2021-22, hence the clause of the section 123 of the Act is not applicable.

3. As required by section 143(5) of the Act, we give in "Annexure C", a statement on directions issued under aforesaid section by the Comptroller and Auditor- General of India.

Annexure - A to the Independent Auditor's Report

(Referred to in Para 1 under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date) The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March 2022, we report that**:**

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment.

(b) The Company has a regular programme of physical verification of its Property, Plant & Equipment by which are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No Material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) (a) The management has conducted the physical verification of inventory at reasonable intervals. In our opinion, the frequency of verification is reasonable.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of ' 500.00 Lakh, in aggregate, at points of time during the year, from banks or financial institutions. Hence this clause is not applicable to company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties. Accordingly, this clause is not applicable.

(iv) The company has not given any loan, guarantee or security and has not made any investment in the securities of any other body corporate. Hence the provisions of section 185 and 186 of the Companies Act, 2013 are not applicable.

(v) As per the information and explanation given to us and as per our examination of books of accounts, the company has not taken any deposit; hence there is no contravention of the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013.

(vi) The Central Government has not prescribed maintenance of cost records in respect of the Company under sub section (1) of section 148 of the Companies Act, 2013. Hence company has not maintained any such records.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, Goods and Service tax, cess and any other statutory dues to the appropriate authorities.

(b) According to the information and explanations given to us, there were no dues on income tax, Goods & service tax and duties of custom as at 31st March, 2022 which have not been deposited on account of dispute.

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or undisclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)

(ix) (a) According to information & explanations given to us by the management, the company has not taken any loans or borrowings from Banks, Financial Institution and Government. Hence, this clause is not applicable to Company

(x) (a) Based upon the audit procedures performed and the information and explanations given bythe management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year. Accordingly, this clause is not applicable.

(xi) (a) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

(b) According to the information and explanations given to us, no report under sub-section (12) of section143 of the Companies Act has been filed in Form ADT - 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) As represented by the management, there are no whistle blower complaints received by the company during the year.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, this clause is not applicable.

(xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the note No. 41of the financial statements as required by Indian Accounting Standard (AS) 24, Related Party Disclosures.

(xiv) (a) As per section 138 of the Company Act, 2013 Internal audit system is applicable to the company.

(b) Internal Audit Reports for the year under audit were considered by the statutory auditor;

(xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, this clause is not applicable.

(xvi) (a) The company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, this clause is not applicable to the Company.

(xvii) According to the information and explanation given to us and based on our examination of records of the Company, The Company has not incurred in cash losses during the year, hence these clause is not applicable.

(xviii) There has been no resignation of the Statutory Auditor of the Company during the year, hence these clause is not applicable.

(xix) (a) According to the information and explanation given to us and based on our examination of the records of the Company, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is not capable of meeting liabilities existing at the balance sheet date.

(xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx) (a) of the order is not applicable for the year. (Refer Note 26.2 Financial Statements)

(b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous Financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135 (6) of the Act.

ANNEXURE - B Referred to in paragraph 2 (f) of the section on "report on other legal and regulatory requirements" of our report of even date

Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Dholera Industrial City Development Limited

We have audited the internal financial controls over financial reporting of the Company as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the

Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's financial control over financial reporting includes those policies and procedures that:

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

As per information and explanation provided to us Delegation of power and Payment authority matrix is in place.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the Internal Control Over Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE - C Direction Issued by C&AG under section 143 (5) of the Companies Act, 2013

(Referred to in Para 3 under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

I	Main Directions issued by Comptroller and Auditor General of India

Notes to the Financial Statement for the year ended March 31, 2022

1. Company Overview

The Dholera Industrial City Development Limited (The Company) is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act, 2013 with its registered office located at Block No. 1&2, 6th Floor, Udhyog Bhavan, Sector– 11, Gandhinagar – 382017.

The Central Government through National Industrial Corridor Development and Implementation Trust (NICDIT) (Formerly known as DMIC Project Implementation Trust Fund) and the Government of Gujarat through Dholera Special Investment Regional Development Authority (DSIRDA) have incorporated the Company as a special purpose vehicle (SPV) for development of Dholera Special Investment Region. The ratio of shareholding of NICDIT and DSIRDA in the company is 49 % and 51 % respectively. DSIRDA has brought in its contribution in equity share capital by the way of allotment of 4830.83 hectare of Land (Previous Year: 4426.84 hectare) in Dholera Special Investment Region. In DSIR an Activation Area (priority zone) has been identified which would be initially developed, Out of total Activation Area, 1167.87 hectare is falling under the ownership of the Company and would be transferred on lease hold basis.

As per the shareholders agreement entered between NICDIT and DSIRDA, the company's business is to develop industrial and residential township together with trunk infrastructure and disposal of Land. The development of land will be in accordance with Town Planning Scheme to be approved by DSIRDA as per provisions of Gujarat Special Investment Region Act, 2009 and Gujarat Town Planning and Urban Development Act, 1976.

The financial statements of the Company for the year ended March 31, 2022 were authorised for issue by the Board of Directors on 23-Sep-2022.

2. Basis of Preparation

2.1. Statement of compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (amended from time to time and other accounting principles generally accepted in India).

Notes to the Financial Statement for the year ended March 31, 2022

2.2. Basis of measurement

The Financial Statements have been prepared on the historical cost basis except for the net defined benefit plans which are measured at fair value of plan assets less present value of defined benefit obligation using key actuarial assumption.

2.3. Functional and presentation currency

These financial statements are presented in Indian Rupee (INR) which is also the Company's functional currency.

2.4. Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments, and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Income tax and deferred tax

  The Company's tax jurisdiction is India. Significant judgments are involved in estimating determining the provision for income taxes. Also, while recognizing deferred tax asset on carry forward tax losses, the Company has estimated the availability of future taxable profit against which tax losses carried forward can be utilized.

- Useful lives of Property, plant and equipment and Intangible Assets (Property, Plant and Equipment represent a significant proportion of the asset base of the Company). The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end.

2.5. Current and Non-current classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- the asset/liability is expected to be realized/ settled in the Company's normal operating cycle.
- the asset is intended for sale or consumption;
- the asset/liability is held primarily for the purpose of trading;
- the asset/liability is expected to be realized/ settled within twelve months after the reporting period;
- the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

3. Significant Accounting Policies

3.1. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

3.1.1. Interest Income on Financial Assets

Interest income is recognized using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

3.1.2. Other Interest Income

Interest Income are recognized on time proportion basis.

Notes to the Financial Statement for the year ended March 31, 2022

3.1.3. Liquidated damages recovered from contractors

Liquidated damages recovered from contractors as per the terms of the contracts are accounted for as either income in statement of Profit and loss or reduced from the cost of respective asset on final settlement based on accounting principles of revenue recognition as well as other factors.

3.2. Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset

Company as a Lessor:

Leases in which a substantial portion of the risks and rewards of ownership are retained by the lessors are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and Loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, in which case the same are recognised as an expense in line with the contractual term.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee. On commencement date, asset given under finance lease is derecognized and finance lease receivable is recognised at an amount equal to the net investment in the lease. Subsequently, finance income is recognised based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the finance lease.

Arrangements with customers for land plots given on 99 years lease term which may be extended, are considered as a finance lease and are accounted accordingly. From the accounting point of view, the lease is deemed to be commenced when underlying plot is ready for use once the related common infrastructure is completed.

Company as a Lessee:

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. Lease payments have been classified as financing activities in Statement of Cash Flow. The Company has elected not to recognise right of- use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognizes the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

3.3. Property, Plant and Equipment

All items of property, plant and equipment, including land are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost including cost of enabling assets and related common infrastructure cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Notes to the Financial Statement for the year ended March 31, 2022

All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Property, Plant and Equipment not ready for the intended use on the date of the Balance Sheet are disclosed as “Capital work-in-progress”.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on Property, Plant and Equipment is calculated on straight line method basis using the useful life prescribed under Schedule II to the Companies Act, 2013. Estimated useful lives are as under:

Description	Years
Building	60
Furniture and Fixtures	10
Office Equipment	5
Computers	3 to 6

In respect of Property, Plant and Equipment purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use. Mobile handsets are fully depreciated upto the residual value of INR 1 in the year of purchase. The residual value, useful live and method of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Residual value has been estimated as INR 1. based on technical advice, taking into account the nature of the asset, the estimated usage of the asset and the operating conditions of the asset.

3.4. Intangible Assets

An intangible asset is recognized, only where it is probable that future economic benefits attributable to the asset will accrue to the enterprise and the cost can be measured reliably.

Intangible assets are stated at cost, less accumulated amortization and impairment losses, if any.

Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as intangible assets under development.

Intangible assets are amortized over a period of 3 to 10 years on straight line basis.

In respect of intangible assets acquired / purchased during the year, amortization is provided on a pro-rata basis from the date on which such asset is ready to use.

The residual value, useful live and method of amortization of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriates.

3.5. Inventories

Inventories are valued at lower of cost and net realizable value. Cost of materials is determined on first-in-first-out basis. Net realizable value is the estimated selling price less estimated cost necessary to make the sale. Inventories includes Cost of Land, common infrastructure facilities cost and allocated expenditure which are directly related or incidental to bring these inventories to their present location and conditions such as Roads, River Bunding, Canal Land Scaping, Canal Slope Enhancements, Land Filling of Plots, Road Culverts.

3.6. Income Tax

Income tax expense comprises current tax and deferred tax.

Current Tax

Current tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity, respectively.

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and current tax liabilities are offset, where company has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred Tax

Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax liabilities are recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from initial recognition of goodwill; or initial recognition of an asset or liability in a transaction which is not a business combination and at the time of transaction, affects neither accounting profit nor taxable profit or loss.

Notes to the Financial Statement for the year ended March 31, 2022

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized, except when deferred tax asset on deductible temporary differences arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where company has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.7. Financial Instruments

3.7.1. Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Regular way purchase and sale of financial assets are accounted for at trade date.

3.7.2. Subsequent measurement

(a) Non-derivative financial instruments

Financial Assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting

Contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently measured at fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

(b) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognised as a deduction from equity instrument net of any tax effects.

3.7.3. Derecognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

3.7.4. Off-setting

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the company currently has a legally enforceable right to offset the recognised amount and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.8. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 – inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

Level 3 – inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from **observable current market transactions in the same instrument nor are they based on available market data.**

3.9. Impairment

3.9.1. Financial assets

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The impairment loss allowance (or reversal) recognised during the period is recognised as income / expense in the statement of profit and loss.

3.9.2. Non-financial assets

Tangible and intangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired.

If any indication exists the company estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an assets net selling price and its value in use.

The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

3.10. Employee Benefits

Short term employee benefits are recognised as an expense in the Statement of Profit and Loss for the year in which related services are rendered.

Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered schemes such as provident fund, National Pension

Notes to the Financial Statement for the year ended March 31, 2022

Scheme (NPS). Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in the Statement of Profit and Loss in the periods during which the services are rendered by the employees.

Defined Benefit Plan

A defined benefit plan is a post-employment benefit plan other than defined contribution plan. The Company operates defined benefit gratuity plan (unfunded). The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.The calculation of defined benefit obligations is performed periodically by an independent qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements. Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs

Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefits that employees have earned in return for their service in the current and prior periods; that benefits is discounted to determine its present value, and the fair value of any related assets is deducted. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurements gains or losses are recognized in the Statement of Profit and Loss in the period in which they arise.

Notes to the Financial Statement for the year ended March 31, 2022

3.11. Provisions

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

3.12. Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

3.13. Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements.

3.14. Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank (including demand deposits) and in hand and short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.15. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Notes to the Financial Statement for the year ended March 31, 2022

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

3.16. Cash Flow Statement

Cash flows are reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.17. Segment Reporting

An operating segment is component of the company that engages in the business activity from which the company earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment and assess its performance. The company's chief operating decision maker is the Managing Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

3.18 Events occurring after Balance Sheet date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

3.19 Rounding off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of schedule III, unless otherwise stated.

4. Recent accounting pronouncements

On 23 March 2022, the Ministry of Corporate Affairs announced amendments to following Standards which are applicable for the periods beginning from 01 April 2022.

However, these amendments are not expected to have a significant impact on the Company's financial statements. This assessment is based on currently available information and may be subject to changes arising from further reasonable and supportable information being made available to the Company when it will adopt the respective amended standards.

1. Ind AS 101 - First time Adoption of Ind AS

A subsidiary, associate or joint venture that becomes first time adopter of Ind AS later than it's parent and elects to measure the carrying amounts that would be included in parent's consolidated financial statement, may elect to measure cumulative translation differences for all foreign operations at the carrying amount that would be included in the parent's consolidated financial statements.

2. Ind AS 103 - Business Combination

Ind AS 103 has been amended to include requirements around measurement of Liabilities and contingent liabilities within the scope of Ind AS 37 or Appendix C, Levies, of Ind AS 37. Clarification has been added that the acquirer shall not recognise a contingent asset at the acquisition date.

3. Ind AS 109 - Financial Instruments

The amendment clarifies that a borrower includes only fees paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf when it applies the '10 per cent' test in assessing whether to derecognise a financial liability.

4. Ind AS 16 - Property, Plant and Equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

5. Ind AS 37 - Provisions, Contingent Liabilities & Contingent Assets

Requirements on what constitutes cost of fulfilling contracts to determine whether the contract is onerous or not has been included through the amendment.

6. Ind AS 41 – Agriculture

The amendment aligns the fair value measurement in Ind AS 41 with the requirements of Ind AS 113 Fair Value Measurement to use internally consistent cash flows and discount rates and enables preparers to determine whether to use pre-tax or post-tax cash flows and discount rates for the most appropriate fair value measurement.

Notes to the Financial Statements for the Year ended March 31, 2022

(All amounts are in ₹ Lakhs, except per share data and unless stated otherwise)

(i) Change in accounting estimate

During last year, the Company has changed useful life of certain Computers and Office Equipments based on technical assessment done internally. The impact on depreciation charge due to change in useful life for current and future years are as follows :

Particulars	FY 2020-21	FY 2021-22	FY 2022-23	FY 2023-24	FY 2024-25	Later
Increase / (Decrease) in depreciation	2.34	(3.20)	(1.22)	0.70	1.42	0.04

(ii) Contractual obligations:

Refer Note 34 for the contractual commitments for the acquisition of property, plant and equipment along with inventory.

(iii) The Company does not have any immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) whose title deeds are not held in the name of the company.

Fair value of financial assets and liabilities measured at amortised cost is not materially different from the amortised cost. Further, impact of time value of money is not significant for the financial instruments classified as current. Accordingly, the fair value has not been disclosed separately.

In case of Non-current capital creditors, timing of outflow of resource is uncertain, being dependent upon the outcome of the future proceedings, and hence, the same is not discounted to their present value. In case of Non-current Financial Assets, timing of inflow of resource is uncertain, being dependent upon the outcome of the future proceedings, and hence, the same is not discounted to their present value.

Types of inputs for determining fair value are as under:

Input Level I (Directly Observable) : which includes quoted prices in active markets for identical assets such as quoted price for an equity security on Security Exchanges.

Input Level II (Indirectly Observable) : which includes prices in active markets for similar assets such as quoted price for similar assets in active markets, valuation multiple derived from prices in observed transactions involving similar businesses, etc.

Notes to the Financial Statements for the Year ended March 31, 2022

(All amounts are in ₹ Lakhs, except per share data and unless stated otherwise)

Input Level III (Unobservable): which includes management's own assumptions for arriving at a fair value such as projected cash flows used to value a business, etc.

Measurement of Fair Values

(i) Valuation techniques and significant unobservable inputs

Since there are no financial instruments measured at Fair Value, this is not relevant.

(ii) Transfers between Levels I and II

Since there are no financial instruments measured at Fair Value, this is not relevant.

(iii) Level III fair values

There are no items in Level III fair values.

30 Financial Risk Management

The Company has a well-defined risk management framework. The Board of Directors of the Company has adopted a Risk Management Policy. The Company has exposure to the following risks arising from financial instruments:

• Credit risk ;

• Liquidity risk ; and

• Market risk

(i) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or fail to pay amounts due causing financial loss to the company. The potential activities where credit risks may arise include from Trade receivables cash and cash equivalents and other bank balances and security deposits or other deposits. Credit risk primarily arising from Cash and cash equivalents and other bank balances is very low as the counterparties are banks and government controlled NBFC. Further, the Company has given security deposit to various government authorities and Trade receivables are also belongs to Government authorities hence, it does not have exposure to any credit risk.The maximum credit exposure associated with financial assets is equal to the carrying amount.

Additionally, the Company has written off trade receivables amounting to ₹ NIL (PY : ₹ NIL) during the year.

The maximum exposure to credit risk for trade receivables by geographic region is as follows:

Particulars	Carrying amount	
	As at 31 March 2022	**As at 31 March 2021**
India	703.04	-
Other regions	-	-
	703.04	**-**

Notes to the Financial Statements for the Year ended March 31, 2022

(All amounts are in ₹ Lakhs, except per share data and unless stated otherwise)

ii. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are proposed to be settled by delivering cash or other financial asset. The company is exposed to liquidity risk due to trade and other payables.

The Company's financial planning has ensured, as far as possible, that there is sufficient liquidity to meet the liabilities whenever due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company has practiced financial diligence and syndicated adequate liquidity in all business scenarios.

The following are the contractual maturities of financial liabilities

As at March 31, 2022	Carrying Amount	up to 1 year	1 - 2 years	2 - 5 years	> 5 years
Retention Money	4,551.90	4,551.90	-	-	-
Capital creditors	33,979.01	1,820.41	-	-	32,158.60
Trade Payables	5,189.90	5,189.90	-	-	-
Payable to Employees	0.58	0.58	-	-	-
Others	1,093.44	1,093.44	-	-	-
	44,814.83	**12,656.23**	**-**	**-**	**32,158.60**
As at March 31, 2021	**Carrying Amount**	**up to 1 year**	**1 - 2 years**	**2 - 5 years**	**> 5 years**
Retention Money	4,105.65	4,105.65	-	-	-
Capital creditors	34,683.79	2,900.10	-	-	31,783.69
Trade Payables	4,243.34	4,243.34	-	-	-
Payable to Employees	0.77	0.77	-	-	-
Others	571.81	571.81	-	-	-
	43,605.36	**11,821.67**	**-**	**-**	**31,783.69**

(iii) Market Risk

The market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises currency risk, interest risk and other price risk. The company does not have any borrowing, hence it is not exposed to interest risk. Also, the Company does not have any foreign currency transactions, so it is not exposed to currency risk. Further, company does not have any investments in markets, so it is not exposed to any other price risk.

31 Capital Management

The Company defines capital as total equity including issued equity capital and all other equity reserves of the Company (which is the Company's net asset value). The primary objective of the Company's financial framework is to support the pursuit of value growth for shareholders, while ensuring a secure financial base. The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising non-current financial liabilities, less cash and cash equivalents and other bank balances. Adjusted equity comprises all components of equity. The Company's adjusted net debt to equity ratio was as follows.

Notes to the Financial Statements for the Year ended March 31, 2022

(All amounts are in ₹ Lakhs, except per share data and unless stated otherwise)

Particulars	As at March 31, 2022	As at March 31, 2021
Total Non-current liabilities	32,158.60	31,783.69
Less : Cash and cash equivalents and other bank balances	1,10,380.91	98,238.02
Adjusted net debt	(78,222.31)	(66,454.34)
Borrowings	-	-
Total equity	5,87,513.02	5,37,431.07
Adjusted net debt to adjusted equity ratio	(0.13)	(0.12)
Debt equity considering only borrowings as debt	-	-

32 The Company had awarded contract for Design, Construction, Operation and Maintenance of Water Treatment Plant (WTP) in Dholera Special Investment Region to M/s. SPML Infra Limited (SPML). The contract was terminated by the Company on January 01, 2021 on account of non-fulfilment of terms and conditions of the contract. Following steps have been taken by the Company on termination of the contract:

(1) The Company has encashed performance bank guarantee of ₹ 675 Lakhs (₹ 572.03 Lakhs net of GST)

(2) The Company has encashed mobilisation advance bank guarantee of ₹ 990 Lakhs. This has been adjusted against outstanding mobilisation advance of ₹ 808.71 Lakhs (including accrued interest)

(3) The Company has forfeited the retention money of ₹ 206.43 Lakhs (₹ 174.90 Lakhs net of GST)

On termination of the contract, SPML has taken following steps against the Company:

i) SPML has invoked the Arbitration clause in the agreement and raised claim of ₹ 7,752 Lakhs against the Company.

ii) SPML has filed a case against the Company before the Hon'ble Commercial Court Ahmedabad for encashment of performance bank guarantee of ₹ 675 Lakhs and mobilisation advance bank guarantee of ₹ 990 Lakhs.

Since the arbitration and litigation proceedings are in progress, the line items referred in point 1) to 3) above along with Liquidated damages of ₹ 900 lakhs recovered on non-completion of interim milestones are presented as Retention money under the head "Other financial liabilities - Current". The Company has filed a counter arbitration claim against the claims made by SPML of ₹ 2,22,723.22 lakhs.

33 Contingent Liability

Particulars	As at March 31, 2022	As at March 31, 2021
Claims against Company not acknowledged as debt:		
Arbitration claim by SPML Infra Limited on termination of WTP contract (This includes Case filed by SMPL Infra Limited before Hon'ble Commercial Court Ahmedabad on encashment of performance bank guarantee ₹ 675 lakhs and mobilisation advance bank guarantee on termination of WTP contract ₹ 990 lakhs, total ₹ 1665 lakhs) (Refer note 32)	7,752.00	7,752.00
Total	**7,752.00**	**7,752.00**

34 Commitments

(₹ in Lakhs)

Commitments for capital asset and common infrastructure development cost	50,573.33	60,730.10
Total	**50,573.33**	**60,730.10**

35 Segment Information

The business of the Company mainly comprises of “Development of industrial and residential township”, which has been identified as a single reportable segment for the purpose of Ind AS 108 on ‘Operating Segments’. Further, there are no export sales during the year. All assets are located in the company’s country of domicile.

36 As per Clause 3.4.4 of Share Holders Agreement , National Industrial Corridor Development Corporation Limited (formerly known as Delhi Mumbai Industrial Corridor Development Corporation) (NICDCL), Gujarat Infrastructure Development Board (GIDB), and Gujarat Industrial Corridor Corporation Limited (GICC) are entitled to recover Project Development Expenditure incurred by them on Dholera Special Investment Region Project.

NICDCL has incurred cumulative expenditure of ₹ 32,158.60 Lakhs (March 31, 2021 : ₹ 31,783.69 Lakhs) on the development Dholera project from financial year 2008-09 to 2021-22. The CAG Audit Team while carrying out the review audit of DMICDC Limited (Now NICDCL) for 2016-17 made an observation that the Project Development Expenditure incurred by DMICDC related to SPV/ subsidiaries being separate legal entities should have been booked in the books of accounts of subsidiaries/ SPVs for depicting true and fair view of books of accounts of subsidiaries/ SPVs and DMICDC Limited.

Accordingly, the Company has booked liability of ₹ 32,158.60 Lakhs in its books as on March 31, 2022. The amount would be refunded / paid once surplus funds are available after development of basic infrastructure facilities in Dholera Special Investment Region (DSIR).

37 National Industrial Corridor Development and Implementation Trust (NICDIT) in its 8th meeting of Board of Trustees held on 21st September, 2021 accorded approval for the Construction of new Railway Line of 24.418 km from Bhimanth to Dholera SIR as per the Non-Govt. Railway (NGR) model of Indian Railways and to implement the project by incorporation of separate SPV between NICDIT and Govt. of Gujarat with equity ratio of 50:50.

The expenditure incurred on Project - Bhimnath Dholera Rail Line by the Company till 31st March, 2022 has been booked as Capital Work in Progress (“CWIP”) being a capital asset. During the year, the Board in its 29th meeting held on 01st November, 2021, resolved that “the Cost of the project implementation of Bhimnath Dholera Rail Line till the incorporation of the new project SPV, shall be incurred by the Company- DICDL and same shall get reimbursed from New project SPV after incorporation of SPV for Bhimnath Dholera Rail Line. Accordingly, the cumulative expenditure incurred till 31st March, 2022 on Rail Project of Rs. 358.46 Lakhs is derecognised from CWIP and has been booked as Receivable from Bhimnath Dholera Rail Line SPV.

40 Employee Benefits

Defined contribution plan:

Provident fund and superannuation fund benefits charged to Statement of Profit and Loss during the period are ₹ 20.32 Lakhs and ₹ 7.43 Lakhs respectively (PY: ₹ 12.40 Lakhs and ₹ 4.52 Lakhs respectively). (Refer Note 25 - Employee Benefit Expenses)

Defined benefit plans:

Gratuity: The Company operates a Gratuity Plan covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and tenure of employment. The liability in respect of gratuity being defined benefit schemes, payable in future, are determined by actuarial valuation as on balance sheet date.

Leave Encashment: Leave Encashment is payable on encashable leaves to employees on separation from the Company due to death, retirement, superannuation or resignation. Employees are entitled to encash leave while serving in the Company. Non - encashable leaves can be availed by the employees until separation/ encashed on seperation

In arriving at the valuation for Gratuity and Leave Encashment, following assumptions were used :

Particulars	2021-22		2020-21	
	Gratuity	Leave Salary	Gratuity	Leave Salary
Type of fund	Unfunded	Unfunded	Unfunded	Unfunded
Mortality	Indian Assured Lives Mortality (2006-08) Ultimate		Indian Assured Lives Mortality (2006-08) Ultimate	
Retirement Age	60 years		60 years	
Service Availment Rate		3.86%		3.86%
Service Encashment Rate		5.00%		5.00%
Attrition Rate	5.00%	4.00%	5.00%	5.00%
Discount Rate	7.23%	7.27%	6.80%	6.80%
Salary escalation	6.00%	6.00%	6.00%	6.00%

Notes to the Financial Statements for the Year ended March 31, 2022

(All amounts are in ₹ Lakhs, except per share data and unless stated otherwise)

Following table sets out status of gratuity plan and leave encashment as required under Indian Accounting Standard 19 - "Employee Benefits":

Particulars	2021-22		2020-21	
	Gratuity	Leave Salary	Gratuity	Leave Salary
Changes in present value of defined benefit obligation				
Opening defined benefit obligation	11.03	6.03	3.78	2.34
Current Service Cost	5.72	5.52	4.29	3.69
Interest cost	0.75		0.26	-

Notes to the Financial Statements for the Year ended March 31, 2022

(All amounts are in ₹ Lakhs, except per share data and unless stated otherwise)

Sensitivity Analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Gratuity	2021-22		2020-21	
	Increase	Decrease	Increase	Decrease
Discount rate - 1%	15.00	18.82	9.89	12.41
Attrition Rate - 1%	16.62	16.84	10.72	11.27
Salary growth rate - 1%	18.83	14.97	12.40	9.87
Mortality Rate - 10%	16.75	16.75	11.03	11.03

A description of methods used for sensitivity analysis and its Limitations:

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Further more, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

Maturity profile of Defined Benefit Obligation

The weighted average duration of the defined benefit obligation is 13 years (March 31, 2021 : 12 years). The expected maturity analysis of undiscounted gratuity is as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
One year	0.19	1.32
Two to five years	5.38	3.34
Six to ten years	5.17	3.03
More than 10 years	36.00	21.69

Notes to the Financial Statements for the Year ended March 31, 2022
